Dear Mr. Gold,

You so graciously gave of your time on November 12th to share your expertise and experience to a group of our graduate students enrolled in our Purchasing Mortgage Notes and Workouts of Distressed Assets course taught by Bob Rajewski. I understand that the class was enlightened as you shared your thoughts regarding commercial real estate brokerage for distressed real estate assets.

On behalf of the Johns Hopkins Carey Business School and our students, I would like to thank you for enriching their learning experience and sharing your wisdom.

Regards,

Phillip Phan, Ph.D.
Professor and Executive Vice Dean
