

In August of 2016 we learned our family recycling business needed to purchase a large warehouse, near the port at a reasonable price appropriate to our industry. I turned to Dan Billig of A.J. Billig , the auctioneers who specialize in commercial real estate for advice. Dan connected me to Mitch Gold of Gold Commercial and the rest is history. Within a few days, working closely with Dan and Mitch we had a contract for a 94000 sq. ft. warehouse with very nice offices near the airport, train station and most important, the port of Baltimore. I could not have been more pleased with every aspect of our dealings with Mitch from start to finish.
